# LIGHTYEARS TRILOGY

## TERMINOLOGY GLOSSARY

This appendix applies to the entire *Lightyears Trilogy*.

Chapter references are where the term first appears in the novel.  
(Some terms may contain slight spoilers.)

### A

**Aaldabron** - (Book 1, Chapter 16) A planet located in the Andron Star System, within the BlueMar Galaxy. Aaldabron was the location of a BlueMar Empire outpost.

**Aaldabron Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Aaldabron Onslaught was initiated by the Claderane Resistance and destroyed a BlueMar Empire outpost on the planet Aaldabron.

**Aaroseekk** - (Book 1, Chapter 30) A giant, gaseous planet located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Academy of Sciences** - (Book 1, Chapter 3) An educational facility in the city of Astosky on the planet Kaskoon.

**Acatine** - (Book 1, Chapter 8) He was an expert family tracker from the Rednii Alliance. Emperor Quarrel Duelco spoke with him regarding tracking Baas and Roedie Cantin.

***Adventures of Baas and Roedie, The*** - (Book 1, Chapter 6 and Book 3, Chapter 3) A book written by Roedie Cantin when he was in his seventies. *The Adventures of Baas and Roedie* was a story about two brothers whose

## TROY D. WYMER

lives were changed forever as they searched for their father, Olossky, who was taken prisoner by the BlueMar Empire. The adventures took them to many different planets where they both eventually found significant partners to join on their quest to find their father. The story can be found in chapters six through thirteen of *Lightyears*.

**Advolon** - (Book 1, Chapter 16) A planet located in the Andron Star System, within the BlueMar Galaxy. Advolon was the location of a BlueMar Empire outpost.

**Advolon Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Advolon Onslaught was initiated by the Claderane Resistance and destroyed a BlueMar Empire outpost on the planet Advolon.

**Airglider** - (Book 1, Chapter 1, Book 2, Chapter 8, and Book 3, Chapter 4) An anti-gravitational land craft designed for very high velocity. An Airglider was a convenient method of transportation.

**Alaress** - (Book 1, Chapter 12) She was from the planet Ithoce. Alaress had black hair. When she was a teenager, Alaress and her friend Sepheena were abducted by Zantorra and trafficked to Zantorra's Palace on the planet Zonia. During a rescue attempt by Baas Cantin, Roedie Cantin, Tereena, and KEN-102, she was shot and killed by a Zonia Guard.

**Alarquén** - (Book 2, Chapter 1) He was an agent for the Immortal Cantin Empire. Alarquén tracked Destin Cantin from the town of Keestoon to the Caverns of the Sandkeens on the planet Kas.

**Althore Star System** - (Book 2, Chapter 7) A star system in the BlueMar Galaxy. Althore Star System was the location of an Immortal Cantin Empire space station.

**Andrexx Star System** - (Book 2, Chapter 7) A star system in the BlueMar Galaxy.

**Andron** - (Book 1, Chapter 2 and Book 2, Chapter 6) A forest planet located in the Andron Star System, within the BlueMar Galaxy. Andron was the location of the main realm and seat of the BlueMar Empire.

## LIGHTYEARS TRILOGY

**Andron Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Andron Onslaught was initiated by the Claderane Resistance and destroyed the BlueMar Empire's main realm on the planet Andron.

**Andron Star System** - (Book 1, Chapter 16 and Book 2, Chapter 9) A star system in the BlueMar Galaxy.

**Angleo** - (Book 1, Chapter 1) He was the first Sandkeen created by scientists from the Tarr Kingdom on the planet Kaskoon. Angleo escaped his captors and fled from the Tarr Kingdom with some high tech equipment. He lived in caves that were below the surface of Kaskoon that later became known as the Caverns of the Sandkeens.

**Angleo's Death Cord** - (Book 1, Chapter 1) A whip used by Sandkeens on the planet Kaskoon that had energy flowing within it. The first weapon of its kind was named after and created by the first Sandkeen, Angleo.

**Antiqueech** - (Book 2, Chapter 1) A city on the planet Kas.

**Aoraaian** - (Book 1, Chapter 30) A giant, gaseous planet located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Arra, Iver** - (Book 1, Chapter 28) He was the husband of Lyhn Mikbo and the father of Tahles (Arra) Cantin. In the Cantin genealogy, he was the earliest member listed in the Cantin family tree. It was unknown why the family name changed from Arra to Cantin.

**Astosky** - (Book 1, Chapter 1 and Book 2, Chapter 1) A city on the planet Kaskoon. Astosky was first developed by Phatom Tarr of the Tarr Kingdom. The city was destroyed by the first emperor of the Immortal Cantin Empire, Reminall Cantin, during his Reign of Terror campaign.

**Astosky Editorial** - (Book 1, Chapter 3) A newspaper from the city of Astosky on the planet Kaskoon.

**Attack of Zyvor** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Attack of Zyvor was initiated by the Claderane Resistance and destroyed the BlueMar Empire mining operation on the

## TROY D. WYMER

asteroid of Zyvor.

**Aurulent** - (Book 1, Chapter 16) A golden colored spaceship owned by Emperor Quarrel Duelco of the BlueMar Empire.

**Axehaven Myriad Construction Corporation** - (Book 3, Chapter 4) It was the largest construction corporation in the BlueMar Galaxy. The galactic headquarters was located at a space station in the Kameron Star System.

### B

**Balerox** - (Book 1, Chapter 4) A robot owned by Emperor Quarrel Duelco of the BlueMar Empire.

**Battle at Rednii** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Battle at Rednii was initiated by the Claderane Resistance when they attacked Rednii Alliance forces in the Rednii Star System.

**Battle of Iasesheenia** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Battle of Iasesheenia was initiated by the Claderane Resistance and destroyed the BlueMar Empire battleship *Cosmic Metal* and Silver Dagger fighter ships at the planet Iasesheenia.

**Battle of Keelonn** - (Book 1, Chapter 4) Not much was known about the Battle of Keelonn. An enforcement agent investigator named Santu was involved in the battle to some extent and lost his legs during event.

**Battle of Shoon** - (Book 2, Chapter 1) A ground battle at the Great Plain of Shoon on the planet Kas between the Civil Resistance and Immortal Cantin Empire Troops, known as ICE Troops.

**Bees-K4/S7** - (Book 1, Chapter 24) He was a Syclone slave. Bees-K4/S7 lived on the planet Ovlon IV. H was bald.

**Before Space Age (BSA)** - (Book 1, Galactic History) A system of time used on the planet Kylon during the period before space travel.

## LIGHTYEARS TRILOGY

**Biakk, Tylo** - (Book 1, Chapter 1) She was a nurse at the Med-Center in the city of Astosky on the planet Kaskoon.

**Binel, Rik** - (Book 2, Chapter 1) He was the partner of Phasheena Cantin and the father of Jerell Cantin.

**Black Fire** - (Book 2, Chapter 9) A spaceship owned by the terrorist organization Dissension Harvest.

**BlueMar (language)** - (Book 1, Chapter 9) The main language used throughout the BlueMar Galaxy and the Regulominuss Galaxy.

**BlueMar Empire** - (Book 1, Prologue, Book 2, Chapter 1, and Book 3, Chapter 5) A vast empire within the BlueMar Galaxy that existed from the year 229776 SA to the year 230929 SA. The main realm and seat of the BlueMar Empire was on the planet Andron.

**BlueMar Empire One** - (Book 1, Prologue) A BlueMar Empire battleship that was destroyed under the leadership of Commander Rigid'n Morrwhell. It was unknown what destroyed the ship. Commander Rigid'n Morrwhell was not aboard the ship when it was destroyed.

**BlueMar Empire Two** - (Book 1, Chapter 2) A BlueMar Empire battleship under the leadership of Commander Rokk Landcorr. While on The Mission to Claderane, it was destroyed by Olossky Cantin with the battleship *Quasar*.

**BlueMar Galaxy** - (Book 1, Prologue, Book 2, Chapter 1, and Book 3, Chapter 1) One of two galaxies in the Yiblos group. The BlueMar Galaxy was eventually explored in its entirety. Throughout history, it was controlled by various empires, governments, and terrorist organizations.

**BlueMar Government** - (*See* BlueMar Empire)

**BlueMar Government Commander** - (Book 1, Chapter 4) A BlueMar Government military officer of the Commander rank.

**BlueMar Government Officer** - (Book 1, Chapter 4) Any of several BlueMar Government military officers of lower rank.

## TROY D. WYMER

**BlueMar War** - (Book 1, Chapter 16, Book 2, Chapter 6, and Book 3, Chapter 4) A war between the Claderane Resistance and the BlueMar Empire, along with their ally the Rednii Alliance. The BlueMar War took place in the year 230929 SA and involved many significant battles. The resistance division from the planet Claderane were responsible for the Andron Onslaught, the Aaldabron Onslaught, the Advolon Onslaught, the Battle of Iasesheenia, the Onslaught Upon Zantorra, the Battle at Rednii, the Rednii Onslaught, the Cynann Onslaught, the Fibrooyon Onslaught, and the Attack of Zyvor. There were many other Claderane Resistance divisions that fought other battles across the galaxy. The length of the war was only a few months and was won by the Claderane Resistance.

**Bluestar, Lu** - (Book 1, Chapter 1) She was the secretary at the Med-Center in the city of Astosky on the planet Kaskoon.

**Bonvoxx** - (Book 1, Chapter 6 and Book 2, Chapter 2) A type of circuit board that was flexible and paper-thin used for spaceship computers and robots.

**Borr, Shasatoga** - (Book 1, Chapter 25) He was a high-ranking military officer in the Rexxian Empire. Shasatoga commanded the ground forces on the planet Rexx.

## C

**Cantin, Aarin** - (Book 2, Chapter 1) She was the daughter of Thatril and Merisa Cantin and sister of Destin Cantin. Aarin was killed during a space battle with the Thisis Militia terrorist organization, along with her great grandmother, Phasheena Cantin.

**Cantin, Arcacio** - (Book 2, Chapter 1 and Book 3, Chapter 3) She was a member of the Civil Resistance's Kas operations. Arcacio was also part of the Civil Government that followed. She had long, blond hair. Arcacio lived on the satellite Forestica after the Dark War. She was the wife of Destin Cantin and mother of Roedie II Cantin.

**Cantin, Arriel** - (Book 2, Chapter 3 and Book 3, Chapter 3) She lived on the planet Nytoorion. Arriel became the second leader of the Nytoorion Government. She had brown hair. Arriel was the daughter of the late

## LIGHTYEARS TRILOGY

Emperor Blackie II and Kathell Cantin. She was raised by Remyw Yortis and Kathell Cantin-Yortis.

**Cantin, Commander Baas** - (Book 1, Chapter 1, Book 2, Chapter 1, and Book 3, Chapter 3) He lived near the town of Kanthas on the planet Kaskoon. Baas joined the Claderane Resistance and became a Commander of the *Light Avenger* battleship, which was involved in the BlueMar War. He was also a commander in the Claderane Government Explorers fleet. Baas was later involved in the REXXIAN War in Regulominuss Galaxy. He had brown hair. Baas was the son of Olossky and Leress Cantin and younger brother of Roedie Cantin. He was the husband of Sepheena Cantin and the father of Reminall Cantin.

**Cantin, 'Bastel** - (Book 2, Chapter 3) He lived in the Immortal Cantin Empire's royal domain on the planet Kas. 'Bastel was the third emperor of the Immortal Cantin Empire. He was the son of Quarrel and Lita Cantin and the younger brother of Cathia Cantin. 'Bastel was the husband of Sheena Cantin and the father of Reignbo II and Blackie II Cantin.

**Cantin, Blackie** - (Book 2, Chapter 1) He had black hair. Blackie was the son of Reminall and Widoweve Cantin and the older brother of Quarrel Cantin. He was not married and had no known children.

**Cantin, Emperor Blackie II** - (Book 2, Chapter 1 and Book 3, Chapter 3) He lived in the Immortal Cantin Empire's royal domain on the planet Kas. Emperor Blackie II was the fourth Emperor of the Immortal Cantin Empire. He had black and gray hair. Emperor Blackie II was the son of 'Bastel and Sheena Cantin and younger brother of Reignbo II Cantin. He was the husband of Kathell Cantin and the father of Arriel Cantin.

**Cantin, Cathia** - (Book 2, Chapter 3) She lived in the Immortal Cantin Empire's royal domain on the planet Kas. Cathia was the daughter of Quarrel and Lita Cantin and older sister of 'Bastel Cantin. She was the partner of the late Liroown Teeks and the mother of Reminall II Cantin. Cathia killed Liroown for unknown reasons.

**Cantin, Destin** - (Book 2, Chapter 1 and Book 3, Chapter 3) He was the leader of the Civil Resistance's Kas operations. Destin was involved in Operation Dark War to defeat the Immortal Cantin Empire and the

## TROY D. WYMER

terrorist organizations that littered the BlueMar Galaxy. He became leader of the Civil Government. Destin presumably became king of the Obriless Government. He had light brown hair. Destin was the son of Thatril and Merisa Cantin and older brother of Aarin Cantin. He live on the satellite Forestica after the Dark War. Destin was the husband of Arcacio Cantin and the father of Roedie II Cantin. He owned a spaceship named *Initial Voyage*.

**Cantin, Jerell** - (Book 2, Chapter 1 and Book 3, Chapter 3) He lived on the satellite Forestica. Jerell was part of the Civil Resistance's Kas operations. He was the son of Phasheena Cantin and Rik Binel. Jerell was the husband of Kareen Cantin and the father of Thatril Cantin.

**Cantin, Kahthi** - (Book 1, Chapter 28) She was the wife of Nomlu Cantin and the mother of Knighr Cantin.

**Cantin, Kareen** - (Book 2, Chapter 1 and Book 3, Chapter 3) She lived on the satellite Forestica. Kareen was part of the Civil Resistance's Kas operations. She was the wife of Jerell Cantin and the mother of Thatril Cantin.

**Cantin, Knighr** - (Book 1, Chapter 28) He was a leader of the Claderane Resistance. Knighr was the son of Nomlu and Kahthi Cantin. He was the husband of Teetana Cantin and the father of Serenitol Cantin.

**Cantin, Leress** - (Book 1, Chapter 3 and Book 2, Chapter 4) She was the wife of Olossky Cantin and the mother of Roedie and Baas Cantin.

**Cantin, Lita** - (Book 2, Chapter 3) She was the wife of Quarrel Cantin and the mother of Cathia and 'Bastel Cantin.

**Cantin, Medess** - (Book 1, Chapter 28) She was the wife of Serenitol Cantin and mother of Olossky Cantin.

**Cantin, Nikhi** - (Book 1, Chapter 28) She was the wife of Tahles (Arra) Cantin and the mother of Nomlu Cantin.

**Cantin, Nomlu** - (Book 1, Chapter 28) He was a leader of the Claderane Resistance. Nomlu was the son of Tahles and Nikhi (Arra) Cantin. He was

## LIGHTYEARS TRILOGY

the husband of Kahthi Cantin and the father of Knighr Cantin.

**Cantin, Admiral Olossky** - (Book 1, Prologue, Book 2, Chapter 7, and Book 3, Chapter 5) He lived near the town of Kanthas on the planet Kaskoon. Olossky was an electronic scientist. He joined the Claderane Resistance and became a commander of the *Quasar* battleship, which was involved in the BlueMar War. Olossky was assigned as admiral of the Claderane Government Explorers fleet. He was later involved in the REXXIAN War in Regulominuss Galaxy. Olossky had brown hair. He was the son of Serenitol and Medess Cantin. Olossky was the widower of Leress Cantin and the father of Roedie and Baas Cantin.

**Cantin, Phasheena** - (Book 1, Chapter 26, Book 2, Chapter 1, and Book 3, Chapter 5) She lived on the planet Kaskoon. Phasheena was the daughter of Roedie and Tereena Cantin. She was the partner of Rik Binell and the mother of Jerell Cantin. Phasheena was killed during a space battle with the Thisis Militia terrorist organization, along with her great granddaughter, Aarin Cantin.

**Cantin, Quarrel** - (Book 2, Chapter 3) He was the second emperor of the Immortal Cantin Empire. Quarrel was the son of Reminall and Widoweve Cantin and oldest sibling of Reignbo and Blackie Cantin. He was the husband of Lita Cantin and the father of Cathia and 'Bastel Cantin.

**Cantin, Reignbo** - (Book 2, Chapter 3) She was the daughter of Reminall and Widoweve Cantin and the middle sibling of Quarrel and Blackie Cantin. Reignbo was the partner of Tiik Veltii and the mother of Widoweve II Cantin.

**Cantin, Reignbo II** - (Book 2, Chapter 1) She lived in the Immortal Cantin Empire's royal domain on the planet Kas. Reignbo II was the daughter of 'Bastel and Sheena Cantin and the older sister of Blackie II Cantin.

**Cantin, Reminall** - (Book 1, Chapter 22 and Book 2, Chapter 1) He lived on the planet Kaskoon. After becoming president of the Claderane Government, Reminall declared himself emperor. After he founded the Cantin Empire, which soon became the Immortal Cantin Empire, Reminall became its first emperor. He was the son of Baas and Sepheena Cantin. Reminall was the husband of Widoweve Cantin and the father of

Quarrel, Reignbo, and Blackie Cantin.

**Cantin, Reminall II** - (Book 2, Chapter 3) He lived in the Immortal Cantin Empire's royal domain on the planet Kas. Reminall II had light brown hair, a beard, and green eyes. He was the son of Cathia Cantin and Liroown Teeks.

**Cantin, Commander Roedie** - (Book 1, Chapter 1, Book 2, Chapter 1, and Book 3, Chapter 3) He lived near the town of Kanthas on the planet Kaskoon. Roedie joined the Claderane Resistance and became a Commander of the *Galactic Explorer* battleship, which was involved in the BlueMar War. He was also a commander in the Claderane Government Explorers fleet. Roedie was later involved in the REXXIAN War in Regulominuss Galaxy. He had blond hair. Roedie was the son of Olossky and Leress Cantin and older brother of Baas Cantin. He was the husband of Tereena Cantin and the father of Phasheena Cantin. Roedie and Tereena traveled into the future and helped their great great grandson, Destin Cantin, in Operation Dark War to defeat the Immortal Cantin Empire and the terrorist organizations that littered the BlueMar Galaxy. He later became Queen Tereena's consort. Roedie owned a spaceship named *Explorer*, which was previously named *Time Explorer* and also *Galactic Explorer*.

**Cantin, Roedie II** - (Book 2, Chapter 10 and Book 3, Chapter 3) He lived on the planet Kas. Roedie II became the second leader of the Civil Government. He had brown hair. Roedie was the son of Destin and Arcacio Cantin.

**Cantin, Sepheena** - (Book 1, Chapter 12, Book 2, Chapter 1, and Book 3, Chapter 3) She was from the planet Ithoce. Sepheena had brown hair and green eyes. When she was a teenager, Sepheena and her friend Alaress were abducted by Zantorra and trafficked to Zantorra's Palace on the planet Zonia. She was rescued by Baas Cantin, Roedie Cantin, Tereena, and KEN-102. Sepheena was the wife of Baas Cantin and the mother of Reminall Cantin.

**Cantin, Serenitol** - (Book 1, Chapter 3 and Book 3, Chapter 4) He lived on the planet Kaskoon and later allegedly moved to the planet Sanbor. Serenitol was a leader of the Claderane Resistance, under the pseudonym

## LIGHTYEARS TRILOGY

Klat Morrel. He was the son of Knighr and Teetana Cantin. Serenitol was the widower of Medess Cantin and the father of Olossky Cantin.

**Cantin, Sheena** - (Book 2, Chapter 3) She lived in the Immortal Cantin Empire's royal domain on the planet Kas. Sheena was the wife of 'Bastel Cantin and the mother of Reignbo II and Blackie II Cantin.

**Cantin, Teetana** - (Book 1, Chapter 28) She was the wife of Knighr Cantin and the mother of Serenitol Cantin.

**Cantin, Queen Tereena** - (Book 1, Chapter 11, Book 2, Chapter 1, and Book 3, Chapter 3) She was the daughter of King Baman and Queen Shehly. Tereena was raised by a robot named Nanny after becoming lost on the planet Siitap. She was discovered by Roedie Cantin, Baas Cantin, and KEN-102. Tereena had long, blond hair and brown eyes. She was the wife of Roedie Cantin and the mother of Phasheena Cantin. Roedie and Tereena traveled into the future and helped their great great grandson, Destin Cantin, in Operation Dark War to defeat the Immortal Cantin Empire and the terrorist organizations that littered the BlueMar Galaxy. Later, Tereena became queen of the Obriless Government.

**Cantin, Thatril** - (Book 2, Chapter 1) He was the son of Jerell and Karen Cantin. Thatril was the late husband of Merisa Cantin and the father of Destin Cantin.

**Cantin, Widoweve** - (Book 2, Chapter 3) She was the wife of Reminall Cantin and the mother of Quarrel, Reignbo, and Blackie Cantin.

**Cantin, Widoweve II** - (Book 2, Chapter 3) She lived in the Immortal Cantin Empire's royal domain on the planet Kas. Widoweve II was the daughter of Reignbo Cantin and Tiik Veltii. She was the wife of Art Thorr and the mother of Tam' Thorr. When Widoweve II married Art Thorr, she kept her maiden name.

**Cantin (Arra), Tahles** - (Book 1, Chapter 28) He was a leader of the Claderane Resistance. Tahles was the son of Iver Arra and Lyhn Mikbo. He was the husband of Nikhi Cantin and the father of Nomlu Cantin.

**Cantin-Istraxx, Merisa** - (Book 2, Chapter 1 and Book 3, Chapter 3) She

## TROY D. WYMER

was part of the Civil Resistance's Kas operations, until she decided to leave the resistance and marry Tharr Istraxx, leader of the Kaskar Terrorist Organization (KTO). Merisa had brown hair. She was the widow of Thatril Cantin and the mother of Destin and Aarin Cantin. After becoming a widow for a second time, Merisa lived in the city of Antiqueech on the planet Kas. Later, she became the wife of Sitell from the Regulominuss Galaxy.

**Cantin-Yortis, Kathell** - (Book 2, Chapter 3 and Book 3, Chapter 3) She had lived in the Immortal Cantin Empire's royal domain on the planet Kas until she fled from the empire. Kathell was involved in Operation Dark War to defeat the Immortal Cantin Empire and the terrorist organizations that littered the BlueMar Galaxy. She had long, curly, black hair. Kathell was the widow of Emperor Blackie II Cantin and the mother of Arriel Cantin. Later, Kathell lived on the planet Nytoorion and became the wife of Remyw Yortis.

**Cantin Empire** - (Book 2, Chapter 1) An empire within the BlueMar Galaxy created by Reminall Cantin. The seat of the government was on the planet Kaskoon, which later became Kas. The initial Cantin Empire name was soon changed to the Immortal Cantin Empire.

**Carron** - (Book 1, Chapter 21) An ocean planet located in the Kameron Star System within the BlueMar Galaxy. Carron was the location of highly technologically advanced humans. There were many under-water cities on the planet. Carron had a single satellite named Cibtar.

**Castles of Oryonite** - (Book 1, Chapter 12) A modern multi-castle structure on the planet Oryonite that was ruled by Queen Amorra.

**Caverns of the Sandkeens** - (Book 1, Chapter 1, Book 2, Chapter 1, and Book 3, Chapter 3) An underground area on the planet Kaskoon—later Kas—that was first occupied by Angleo, the first Sandkeen that was developed by the Tarr Kingdom on Kaskoon. After escaping the Tarr Kingdom, Angleo lived in the caverns, followed by the other Sandkeens. Approximately fifty years after the Sandkeens became extinct, the Caverns of the Sandkeens were occupied by the Civil Resistance's Kas operations. Later, Merisa Cantin-Istraxx lived in the caverns for a couple years.

## LIGHTYEARS TRILOGY

**Ce'disee, Treten** - (Book 1, Chapter 30) He was the third president of the Claderane Government.

**Celestial Orchard** - (Book 2, Chapter 2 and Book 3, Chapter 3) A restaurant in the city of Sparsburg on the planet Perytion.

**CGS 1** - (Book 1, Chapter 23) A Claderane Government Ship (CGS) under the leadership of Commander Encelidia. The *CGS 1* was part of the Claderane Government Explorers sent out by President Rikks Kyton on a mission to explore the uncharted regions of the BlueMar Galaxy. It was destroyed in the Regulominuss Galaxy during the REXXIAN War.

**CGS 2** - (Book 1, Chapter 23) A Claderane Government Ship (CGS) under the leadership of Commander Sanatoma. The *CGS 2* was part of the Claderane Government Explorers sent out by President Rikks Kyton on a mission to explore the uncharted regions of the BlueMar Galaxy.

**CGS 3** - (Book 1, Chapter 23) A Claderane Government Ship (CGS) under the leadership of Commander Roklarr. The *CGS 3* was part of the Claderane Government Explorers sent out by President Rikks Kyton on a mission to explore the uncharted regions of the BlueMar Galaxy. It was destroyed in the Regulominuss Galaxy when traveling through a Galactic Channel that cycled as they entered, causing it to enter into a star and burn up.

**CGS 4** - (Book 1, Chapter 23) A Claderane Government Ship (CGS) under the leadership of Commander Mawjawi. The *CGS 4* was part of the Claderane Government Explorers sent out by President Rikks Kyton on a mission to explore the uncharted regions of the BlueMar Galaxy. It was destroyed in the Regulominuss Galaxy during the REXXIAN War.

**CGS 5** - (Book 1, Chapter 23) A Claderane Government Ship (CGS) under the leadership of Commander Tykonis. The *CGS 5* was part of the Claderane Government Explorers sent out by President Rikks Kyton on a mission to explore the uncharted regions of the BlueMar Galaxy. It was destroyed in the Regulominuss Galaxy during the REXXIAN War.

**Cibtar** - (Book 1, Chapter 21) The single satellite of the planet Carron. Cibtar was decorated with a lake, mountains, and white pine trees. It was

the home of Sintos's brother, Larsinn.

**City Ommawee** - (Book 3, Chapter 4) A city on the planet Nytoorion. City Ommawee was developed by the Axehaven Myriad Construction Corporation.

**Civil Government** - (Book 2, Chapter 10 and Book 3, Chapter 3) A government within the BlueMar Galaxy that was founded in the year 231017 SA. The seat of the government was on the planet Kas.

**Civil Resistance** - (Book 2, Chapter 1 and Book 3, Chapter 3) A resistance movement against the Immortal Cantin Empire and terrorist organizations throughout the BlueMar Galaxy. The Civil Resistance had many operations throughout the galaxy.

**Claderane** - (Book 1, Chapter 14 and Book 2, Chapter 1) A planet located in the Claderane Star System, within the BlueMar Galaxy. Claderane was the location of the largest division of the Claderane Resistance and later the seat of the Claderane Government.

**Claderane City** - (Book 1, Chapter 14) A city on the planet Claderane. Claderane City had large sections of interconnected buildings.

**Claderane Government** - (Book 1, Chapter 17, Book 2, Chapter 1 and Book 3, Chapter 2) A government within the BlueMar Galaxy that was founded in the year 230929 SA. The seat of the Claderane Government was on the planet Claderane. Its last president was Reminall Cantin, who declared himself emperor of the BlueMar Galaxy and formed the Cantin Empire, which later became the Immortal Cantin Empire.

**Claderane Government Explorers** - (Book 1, Chapter 17, Book 2, Chapter 10, and Book 3, Chapter 5) A fleet of Claderane Government Ships (CGS) that were launched on a mission by President Rikks Kyton to explore the uncharted regions of the BlueMar Galaxy. The Claderane Government Explorers consisted of eight fleet ships: *Quasar*, *Galactic Explorer*, *Light Avenger*, *CGS 1*, *CGS 2*, *CGS 3*, *CGS 4*, and *CGS 5*. When they met a highly technologically advanced group of humans, they ended up traveling through time to the Regulominuss Galaxy where they were involved in the REXXIAN War. Only four of the eight ships returned to the BlueMar Galaxy.

## LIGHTYEARS TRILOGY

The others were lost in battle and a space accident.

**Claderane Government Ships (CGS)** - (Book 1, Chapter 17) A set of ships developed by the Claderane Government that included *CGS 1*, *CGS 2*, *CGS 3*, *CGS 4*, and *CGS 5*. The Claderane Government Ships were part of the Claderane Government Explorers.

**Claderane Resistance** - (Book 1, Chapter 15, Book 2, Chapter 2, and Book 3, Chapter 4) A resistance movement against the BlueMar Empire and Rednii Alliance that existed from the year 230736 SA to the year 230929 SA. The Claderane Resistance had many divisions throughout the BlueMar Galaxy. The main division was on the planet Claderane.

**Claderane Star System** - (Book 1, Chapter 14) A star system in the BlueMar Galaxy.

**Cliedis Reptiles** - (Book 1, Galactic History) An indigenous species to the planet Kylon. The Cliedis Reptiles shared the planet with humans until the reptiles began to attack the humans, forcing them to flee the planet.

**comm** - (Book 1, Chapter 1, Book 2, Chapter 1, Book 3, Chapter 4) A communicator device that had multiple functions.

**Con** - (Book 1, Chapter 2) He was the aide to Emperor Quarrel Duelco of the BlueMar Empire. Con was bald.

**Conbokkestor** - (Book 1, Chapter 13) A twin planet located in the ThornZozaa Star System, within the BlueMar Galaxy. Conbokkestor's twin was the planet ThornZozaa.

**Controller** - (Book 1, Chapter 1) A device designed and developed by electronic scientist Olossky Cantin on the planet Kaskoon. The Controller collected energy through lightning in the atmosphere and fed power to both the city of Astosky and the town of Kanthas.

**Cosmic Metal (band)** - (Book 2, Chapter 6) A metal band that played at the Stone Shelf intoxication joint on the planet Nytoorion. Cosmic Metal was named after a BlueMar Empire battleship.

## TROY D. WYMER

***Cosmic Metal (spaceship)*** - (Book 1, Chapter 16) A BlueMar Empire battleship. The *Cosmic Metal* was destroyed in the Battle of Iasesheenia during the BlueMar War.

**Cosmos** - (Book 2, Chapter 1 and Book 3, Chapter 3) He was a wolfdog owned by Destin and Arcacio Cantin.

**Cru Montt** - (Book 1, Chapter 8) A space gang that occupied the Thisis Star System in the BlueMar Galaxy.

**Cynann** - (Book 1, Chapter 16) A planet located in the Rednii Star System, within the BlueMar Galaxy. Cynann was the location of a Rednii Alliance outpost.

**Cynann Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Cynann Onslaught was initiated by the Claderane Resistance and destroyed a Rednii Alliance outpost on the planet Cynann.

**Cyyro Liner** - (Book 1, Chapter 24) A liner that hauled REXXian freight between the planets of the Ovlon Star System in the Regulominuss Galaxy.

## D

**Dark War** - (Book 2, Chapter 9 and Book 3, Chapter 3) A war between the Civil Resistance and the Immortal Cantin Empire, along with terrorist organizations throughout the BlueMar Galaxy. The Dark War took place in the year 231017 SA and involved many significant battles, including the Battle of Shoon on the planet Kas. There were many other Civil Resistance divisions that fought other battles across the galaxy during Operation Dark War. The war was won by the Civil Resistance.

**Dark Years** - (Book 2, Chapter 8) It was a reference to the time when the BlueMar Galaxy was controlled by the Immortal Cantin Empire and was littered with terrorist organizations.

**Deal, Dr. Mills** - (Book 1, Chapter 1) He was the doctor at the Med-Center in the city of Astosky on the planet Kaskoon. Dr. Deal had black hair.

**DeeArron, Shellaa** - (Book 2, Chapter 9) She was a member of the Civil

## LIGHTYEARS TRILOGY

Resistance and was in charge of assembling military ground vehicles and fighter ships during Operation Dark War.

**Delfooyion** - (Book 1, Chapter 30) A giant, gaseous planet located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Diamesh** - (Book 2, Chapter 8) A planet located in the Andrexx Star System, within the BlueMar Galaxy. Diamesh was the location of an Immortal Cantin Empire outpost.

**Dicott, Webler** - (Book 1, Chapter 1) He was the third ruler of the Tarr Kingdom.

**Dissension Harvest** - (Book 2, Chapter 9) A terrorist organization faction that stole water from many planets and stored it aboard the *Black Fire*.

**Dolmreen Star System** - (Book 1, Chapter 2) A star system in the BlueMar Galaxy.

**Don'ador, Saalarlic** - (Book 1, Chapter 15) He was an official for the Claderane Resistance.

**Dor'bist, Vela** - (Book 1, Chapter 1) He was the sixth and last ruler of the Tarr Kingdom.

**Duelco, Emperor Quarrel** - (Book 1, Chapter 2, Book 2, Chapter 1) He lived in the BlueMar Empire's main realm on the planet Andron. Emperor Quarrel was the twenty-seventh and last emperor of the BlueMar Empire. He had black hair. Emperor Quarrel owned a spaceship named *Aurulent*.

**DX-20** - (Book 1, Chapter 1) A medical robot at the Med-Center in the city of Astosky on the planet Kaskoon.

## E

**E Liner** - (Book 2, Chapter 9) A spaceship owned by the terrorist organization Space Militia.

**Eerie Caverns of the Damned, The** - (Book 1, Chapter 8) A creepy, large

## TROY D. WYMER

cavernous area on the Tarlyonn Asteroid, located in the Fem Glucto Star System, within the BlueMar Galaxy.

**EF-7** - (Book 1, Chapter 1) A red colored energy storage robot owned by Olossky Cantin.

**Ekka** - (Book 1, Chapter 20) A planet located in the uncharted regions of the BlueMar Galaxy. Ekka was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin. It had no life nor atmosphere.

**electronic scientist** - (Book 1, Prologue) A title given to those who engineered electronics using a scientific approach.

**Elzi, Dr.** - (Book 1, Chapter 22) He was one of the doctors assigned to the *Light Avenger* in the Claderane Government Explorers fleet. Dr. Elzi helped deliver Sepheena Cantin's child.

**Emanns, Holly** - (Book 2, Chapter 9) She was a Civil Resistance counterterrorist operative undercover in the Knights of Stygian terrorist organization.

**Emperor Blackie II Cantin** - (*See* Cantin, Emperor Blackie II)

**Emperor Dulos Exceltii** - (*See* Exceltii, Emperor Dulos)

**Emperor Quarrel Duelco** - (*See* Duelco, Emperor Quarrel)

**Encelidia, Commander** - (Book 1, Chapter 23) He was a commander in the Claderane Government Explorers fleet. Encelidia commanded the spaceship *CGS 1*.

**Endreen** - (Book 1, Chapter 27) A star in the Sno-Pleednii Star System, within the BlueMar Galaxy.

**Energized Star System Field (ESSF)** - (Book 1, Chapter 8) An artificial space portal in the BlueMar Galaxy that led to five different star systems.

**Enforcement Agent Investigator** - (Book 1, Chapter 2) A bounty hunter

## LIGHTYEARS TRILOGY

who had special investigative training and was given authority by government agencies to enforce decrees. The positions were generally temporary.

**Eraanio-Sintex Fygaborr** - (Book 1, Chapter 30) A giant, gaseous planet located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Ersent** - (Book 1, Chapter 11 and Book 2, Chapter 10) A planet in the BlueMar Galaxy where King Baman and Queen Shehllly went to for a mission. King Baman and Queen Shehllly's daughter, Tereena, thought Ersent was the planet where she was dropped off as a child; however, it was actually called Siitap.

**EX-87** - (Book 1, Chapter 1) A waiter robot owned by Olossky Cantin.

**Exceltii, Emperor Dulos** - (Book 1, Chapter 24) He was the emperor of the REXXIAN Empire. Emperor Dulos was tall and had light gray hair.

**Explorer** - (Book 3, Chapter 3) A spaceship owned by Roedie Cantin. The *Explorer* was previously named *Time Explorer* until he changed the name after removing the tac-time engine.

**Extallon, Commander** - (Book 1, Chapter 25) He was a commander in the REXXIAN Government military. Extallon commanded the battleship *Felis*.

## F

**Fateen Pest** - (Book 1, Chapter 3 and Book 2, Chapter 1) An animal native to the planet Kaskoon, which later became Kas. Fateen Pests looked like a mixture between a wolf and a rat, with pointed ears and a long tail.

**Felis** - (Book 1, Chapter 25) A REXXIAN Empire battleship under the leadership of Commander Extallon. The *Felis* was destroyed during the REXXIAN War.

**Fem Glucto Star System** - (Book 1, Chapter 8) A star system in the BlueMar Galaxy.

## TROY D. WYMER

**Fem Taton** - (Book 1, Chapter 10) A widely known animal located throughout the BlueMar Galaxy, including on the planet StonRamm. Fem Tatons were furry creatures with blue eyes and a variety of coat patterns. They traveled in herds.

**Fibrooyon** - (Book 1, Chapter 16) A planet located in the Rednii Star System, within the BlueMar Galaxy. Fibrooyon was the location of a Rednii Alliance outpost.

**Fibrooyon Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Fibrooyon Onslaught was initiated by the Claderane Resistance and destroyed a Rednii Alliance outpost on the planet Fibrooyon.

**Fiilo, Cordellex** - (Book 1, Chapter 24) He was a military officer in the Rexxian Empire. Cordellex was in charge of military forces on the planet Ovlon IV.

**Finitte Star System** - (Book 2, Chapter 3) A star system in the BlueMar Galaxy.

**Fire Striker** - (Book 1, Chapter 16) A Rednii Alliance military fighter ship.

**First Sitell Theory** - (Book 3, Chapter 2) A theory of Sitell's where a forcefield could be stretched across lightyears of space and could obstruct anything that consisted of matter.

**Flytaniir, Crees** - (Book 1, Chapter 2) He was head of the BlueMar Empire mining operation on the asteroid Zyvor.

**Forestica** - (Book 2, Chapter 5, Book 3, Chapter 3) One of two satellites of the planet Oceanic. The official name of Forestica was Grandust II. Forestica was covered with lush forests and it had air. The special thing about Forestica was that—from space—it looked exactly like the other satellite of the planet—an airless piece of rock.

**Futress** - (Book 2, Chapter 8) A city on the planet Tuska.

## LIGHTYEARS TRILOGY

### G

**Galactic Channel** - (Book 1, Chapter 25 and Book 3, Chapter 2) A natural space portal in the Regulominuss Galaxy that led to different areas of space when a specific signal was sent into it. The channel cycled every twenty-nine point nine minutes.

**Galactic Counterterrorist Militia (GCM)** - (Book 2, Chapter 9) A counterterrorist organization that was an ally with the Civil Resistance. Galactic Counterterrorist Militia helped defeat the terrorists organizations during stage two of Operation Dark War.

**Galactic Explorer** - (Book 1, Chapter 14, Book 2, Chapter 6) A BlueMar Empire battleship that was stolen by Roedie Cantin and delivered to the Claderane Resistance. The *Galactic Explorer* became a battleship for the Claderane Government under the leadership of Commander Roedie Cantin. It was involved in the BlueMar War, the Claderane Government Explorers, and the Rexxian War before Roedie Cantin changed its name to *Time Explorer*.

**Galactic Star Maidens** - (Book 2, Chapter 6) An organized group of harlots, based within the Stone Shelf intoxication joint on the planet Nytoorion.

**Galactic Time Portal** - (Book 3, Chapter 1) An invention by Sitell that bridged the gap between the BlueMar Galaxy and the Regulominuss Galaxy, making a nine-month trip at timespeed into an instantaneous trip at lightspeed. The Galactic Time Portal was programmed with complex calculations specified in the Second Sitell Theory. It was developed from an immense, circular, metal framework in space. Illuminators were evenly spaced around the circle, allowing for easy visibility. Small engines were mounted on the Galactic Time Portal to keep it in exact position.

**galaxyologist** - (Book 1, Chapter 25) A title of an expert on galactic studies.

**Galikel** - (Book 1, Chapter 19) He was an officer assigned to the *Galactic Explorer* in the Claderane Government Explorers fleet.

## TROY D. WYMER

**Gawanel'storn'l** - (Book 1, Chapter 24) He was the leader of the Walaa Kontis tribe on the planet Ovlon IV.

**Geeyi Wolf** - (Book 1, Chapter 22) A type of wolf from the planet Kalerson, known for its aggressive behavior, glowing red eyes, and sharp, pointed teeth.

**GRA-135** - (Book 1, Chapter 1) A gray colored labor robot owned by Olossky Cantin.

**Grandust** - (Book 2, Chapter 5) One of two satellites of the planet Oceanic. Grandust did not have an atmosphere.

**Grandust II** - (Book 2, Chapter 5) One of two satellites of the planet Oceanic. Another name for Grandust II was Forestica. Grandust II was covered with lush forests and it had air. The special thing about Grandust II was that—from space—it looked exactly like the other satellite of the planet—an airless piece of rock.

**Great Plain of Shoon** - (Book 1, Chapter 27 and Book 2, Chapter 1) A large sand plain on the planet Kaskoon, which later became Kas.

**Grenagaihn** - (Book 1, Chapter 28 and Book 3, Chapter 4) A white wine.

**Grid, Silva** - (Book 1, Chapter 23) He was a technician assigned to the Claderane Government Explorers fleet.

## H

**Halberd, Hellion Hex (“Satan II”)** - (Book 1, Chapter 12) He was the sixth emperor of the BlueMar Empire.

**Holy cosmic shit** - (Book 1, Chapter 14, Book 2, Chapter 1, Book 3, Chapter 3) A common expression of astonishment.

**Holy cosmos** - (Book 1, Chapter 1 and Book 2, Chapter 6) A common expression of astonishment.

## I

## LIGHTYEARS TRILOGY

**Iasesheenia** - (Book 1, Prologue) A planet located in the Iasesheenia Star System, within the BlueMar Galaxy. Iasesheenia was the location of a BlueMar Empire outpost.

**Iasesheenia Star System** - (Book 1, Chapter 16) A star system in the BlueMar Galaxy.

**ICE Down** - (Book 2, Chapter 6) A code word used by the Civil Resistance to make contact between different operations.

**Immortal Cantin Empire** - (Book 2, Chapter 1 and Book 3, Chapter 3) An empire within the BlueMar Galaxy. The royal domain and seat of the Immortal Cantin Empire was on the planet Kas.

**Immortal Cantin Empire fighter ship (ICE fighter ship)** - (Book 2, Chapter 1) An Immortal Cantin Empire military fighter ship.

**Immortal Cantin Empire Troops (ICE Troops)** - (Book 2, Chapter 1) Immortal Cantin Empire military officers.

**Initial Voyage** - (Book 2, Chapter 1 and Book 3, Chapter 3) A spaceship owned by Destin Cantin.

**intoxication joint** - (Book 1, Chapter 1, Book 2, Chapter 4, and Book 3, Chapter 4) A drinking establishment.

**Ipsinittorr Star System** - (Book 1, Chapter 2 and Book 2, Chapter 9) A star system in the BlueMar Galaxy.

**Isp, Perrin** - (Book 2, Chapter 3) He was the main official for the city of Kas Voya on the planet Kas.

**Istraxx, Tharr** - (Book 2, Chapter 3) He was the leader of the Kaskar Terrorist Organization (KTO). Tharr had black and gray hair. He was the husband of Merisa Cantin-Istraxx.

**Ithoce** - (Book 1, Chapter 27) A planet located in the Sno-Pleednii Star System, within the BlueMar Galaxy.

## TROY D. WYMER

**Iver, 'Tallic** - (Book 3, Chapter 4) He was the CEO of the Axehaven Myriad Construction Corporation.

## J

**Janthia, Wells** - (Book 3, Chapter 2) He was one of the early Mazits who traveled to the Regulominuss Galaxy through the Kalistorr Wormhole.

**Janthia's Abyss** - (Book 3, Chapter 2) A black hole named after Wells Janthia. When studying the black hole, Wells miscalculated the location of the event horizon and presumably was sucked into the black hole and never seen again.

**Jii, Teeb** - (Book 1, Chapter 6) He was a pirate who frequented an intoxication joint named SeaScape in the city of Protos on the planet Proteron.

**Jiikuryon Caves** - (Book 1, Chapter 27) Caves located on the desert planet Kaskoon.

## K

**Kahl's Plain** - (Book 2, Chapter 1) An extensive plain of sand on the desert planet Kaskoon.

**Kahreen Sea of Sand** - (Book 1, Chapter 27) An extensive area of sand dunes on the desert planet Kaskoon.

**kahsaah** - (Book 1, Chapter 1) A very popular type of meat on the desert planet Kaskoon.

**Kalaar robot** - (Book 1, Chapter 15 and Book 2, Chapter 8) A mass-produced type of white colored robot developed by the Claderane Resistance that were used to pilot Star Knight fighter ships.

**Kalerson** - (Book 1, Chapter 22) A planet that drifted out from the Regulominuss Galaxy, along with its star and moon. Kalerson was once a location of the REXXIAN Empire's Syclone slave operation.

## LIGHTYEARS TRILOGY

**Kalerson Star System** - (Book 1, Chapter 22 and Book 3, Chapter 2) A star system that drifted out from the Regulominuss Galaxy as it was being pulled by Janthia's Abyss.

**Kalistorr Wormhole** - (Book 3, Chapter 2) A wormhole that connected the BlueMar Galaxy and the Regulominuss Galaxy.

**Kameron I** - (Book 1, Chapter 21) A planet located in the Kameron Star System, within the BlueMar Galaxy.

**Kameron II** - (Book 1, Chapter 21) A planet located in the Kameron Star System, within the BlueMar Galaxy.

**Kameron III** - (Book 1, Chapter 21) A planet located in the Kameron Star System, within the BlueMar Galaxy.

**Kameron Star System** - (Book 1, Chapter 21 and Book 3, Chapter 2) A star system in the BlueMar Galaxy.

**Kamerst Low** - (Book 2, Chapter 1) A low-lying area of sand on the desert planet Kaskoon.

**Kanar, Shamalon** - (Book 1, Chapter 19) He was the last of a civilization and was rescued by the Claderane Government Explorers fleet. Shamalon had gray hair.

**Kanthas** - (Book 1, Chapter 1 and Book 2, Chapter 1) A town on the planet Kaskoon.

**Kanthas Archive Historical Building** - (Book 1, Chapter 1) A museum in the town of Kanthas on the planet Kaskoon.

**Karrah** - (Book 1, Chapter 19) A twin planet located in the Taskii Star System, within the BlueMar Galaxy. Karrah's twin was the planet Kethe.

**Karrii-207** - (Book 1, Chapter 3) A robot owned by the Cantin Family. Karrii-207 was sold and later acquired by the Claderane Resistance.

**Kas** - (Book 2, Chapter 1 and Book 3, Chapter 3) A desert planet located

## TROY D. WYMER

in the Kaskar Star System, within the BlueMar Galaxy. Kas was formerly known as Kaskoon. It was the seat of the Immortal Cantin Empire and later the Civil Government.

**Kas Voya** - (Book 2, Chapter 3) A city on the planet Kas.

**Kasaa** - (Book 1, Chapter 1) A type of spice used on food.

**Kaskar** - (Book 1, Chapter 3) A star located in the Kaskar Star System, within the BlueMar Galaxy.

**Kaskar Star System** - (Book 1, Chapter 12 and Book 2, Chapter 5) A star system in the BlueMar Galaxy.

**Kaskar Terrorist Organization (KTO)** - (Book 2, Chapter 1) A terrorist organization in the BlueMar Galaxy. The headquarters was located in the city of Kas Voya on the planet Kas. The Kaskar Terrorist Organization was run by Tharr Istraxx.

**Kaskoon** - (Book 1, Chapter 1 and Book 2, Chapter 1) A desert planet located in the Kaskar Star System, within the BlueMar Galaxy. Kaskoon had a single satellite named Kasmarr. The Tarr Kingdom was formed on the planet in the year 230332 SA.

**Kasmarr** - (Book 1, Chapter 1) The single satellite of the planet Kaskoon. Kasmarr was a sphere of sand.

**Keen Saber** - (Book 1, Chapter 21 and Book 3, Chapter 2) A spaceship owned by Sintos.

**Keeper** - (Book 1, Chapter 25 and Book 3, Chapter 1) A title given to Mara-Harcheit for his role as guardian of the Regulominuss Galaxy.

**Keestoon** - (Book 2, Chapter 1) A small trading settlement on the planet Kas.

**Kelsar I** - (Book 1, Chapter 1) A desert planet located in the Kaskar Star System, within the BlueMar Galaxy.

## LIGHTYEARS TRILOGY

**Kelsar II** - (Book 1, Galactic History) A desert planet located in the Kaskar Star System, within the BlueMar Galaxy.

**Kelsar III** - (Book 1, Galactic History) A desert planet located in the Kaskar Star System, within the BlueMar Galaxy.

**Kelson I** - (Book 1, Galactic History) A planet located in the Kaskar Star System, within the BlueMar Galaxy. Kelson I was destroyed during the Kelson War.

**Kelson II** - (Book 1, Galactic History) A planet located in the Kaskar Star System, within the BlueMar Galaxy. Kelson II was destroyed during the Kelson War.

**Kelson III** - (Book 1, Galactic History) A planet located in the Kaskar Star System, within the BlueMar Galaxy. Kelson III was destroyed during the Kelson War.

**Kelson Asteroid Belts** - (Book 1, Chapter 27) A set of three asteroid belts located in the Kaskar Star System, within the BlueMar Galaxy. The Kelson Asteroid Belts were once the three Kelson planets, but were destroyed in the Kelson War with super nuclear missiles.

**Kelson War** - (Book 1, Galactic History) A war between the Kelson planets. The Kelson War was fought with super nuclear missiles, which destroy all three planets.

**KEN-102** - (Book 1, Prologue and Book 2, Chapter 4) A silver colored labor robot, built by BlueMar Empire Commander Rigid'n Morrwhell. KEN-102 was built using experimental cognitive intelligence. He fled the BlueMar Empire with Olossky Cantin and became the Cantin family's robot. KEN-102 was destroyed by a space gang when they shot a laser cannon at the Star Knight he was flying.

**KEN-103** - (Book 2, Chapter 4) A silver colored labor robot, built by Roedie Cantin after his other faithful robot, KEN-102, was destroyed by a space gang. KEN-103 was made to look, act, and think like KEN-102. The back-up of KEN-102's memory was stored into KEN-103's memory module. He was destroyed by Ikk Sylikyt as he jumped in front of a laser

## TROY D. WYMER

beam that was intended for Roedie Cantin, thus saving Roedie's life.

**KEN-104** - (Book 2, Chapter 10 and Book 3, Chapter 3) A labor robot, built by Roedie Cantin after KEN-103 was destroyed by Ikk Sylilyt. KEN-104 had all the memories of KEN-102 and KEN-103 plus the memories of Tereena Cantin's Nanny robot. In addition, he had the memories of an old personal robot owned by Tereena's parents named RTSX-87, which had

been referred to as Artie.

**Kethe** - (Book 1, Chapter 19) A twin planet located in the Taskii Star System, within the BlueMar Galaxy. Kethe's twin was the planet Karrah.

**key-fuse** - (Book 1, Chapter 9) An electronic component used in spaceship computer systems.

**Kinabah** - (Book 1, Chapter 1) A type of spice used on food.

**King Baman** - (Book 2, Chapter 2 and Book 3, Chapter 3) He lived on the planet Neo Terra. King Baman was the king of the Monarchy of Obriless. He had gray hair. King Baman was the husband of Queen Shehly and the father of Tereena.

**Knights of Stygian** - (Book 2, Chapter 1) One of two terrorist organizations located in the Thisis Star System, within the BlueMar Galaxy. Knights of Stygian took over the Thisis Star System, except for Zalho's World, after the Thisis Militia was destroyed. The other terrorist organization located in the Thisis Star System was Zalho's World Brigade.

**Kortha** - (Book 1, Chapter 25 and Book 3, Chapter 1) He was a Yitha, disguised as a human with black and gray hair. Kortha lived on the planet Yibon in the Zasreen Star System, within the Regulominuss Galaxy, but he was originally from the Nyctogluktoouss Galaxy. Like all Yithas, Kortha had the power of shapeshifting. He had a missing eye. Kortha was a friend and aide to Mara-Harcheit.

**Krymoss** - (Book 2, Chapter 1) A city on the planet Kas.

**Kylon** - (Book 1, Galactic History) A paradise planet located in the Kytos

## LIGHTYEARS TRILOGY

Star System, within the BlueMar Galaxy.

**Kynimaw Asteroid Belt** - (Book 1, Chapter 2) An asteroid belt located in the Dolmreen Star System, within the BlueMar Galaxy.

**Kyton, Rikks** - (Book 1, Chapter 15) He lived on the planet Claderane. Rikks was a leader of the Claderane Resistance. He became the first president of the Claderane Government.

**Kytos Star System** - (Book 1, Galactic History) A star system in the BlueMar Galaxy.

**Kytusk** - (Book 1, Chapter 1) A type of food on the desert planet Kaskoon.

### L

**Labor Robotic Automata (LRA)** - (Book 1, Prologue) A type of labor robot.

**Landcorr, Commander Rokk** - (Book 1, Chapter 10) He was a military commander in the BlueMar Empire. Rokk commanded the battleship *BlueMar Empire Two* during The Mission to Claderane.

**Larsinn** - (Book 1, Chapter 21) He lived on Carron's single satellite Cibtar. Larsinn was the brother of Sintos.

**Leista** - (Book 1, Chapter 30) A giant, gaseous planet located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Light Avenger** - (Book 1, Chapter 14) A BlueMar Empire battleship that was stolen by Baas Cantin and delivered to the Claderane Resistance. The *Light Avenger* became a battleship for the Claderane Government under the leadership of Commander Baas Cantin. It was involved in the BlueMar War, the Claderane Government Explorers, and the REXXIAN War.

**Lightign, Kahgn Zign** - (Book 1, Chapter 18) He was the first officer of the *Quasar* during the Claderane Government Explorers mission to explore uncharted regions space.

## TROY D. WYMER

**lightspeed-plus** - (Book 1, Chapter 8, Book 2, Chapter 4, and Book 3, Chapter 4) A general term used to reference spaceship speeds beyond that of light.

**Litheh** - (Book 1, Chapter 20) A planet located in the uncharted regions of the BlueMar Galaxy. Litheh was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin.

**Lomana, Ricot** - (Book 1, Chapter 1) He was the fifth ruler of the Tarr Kingdom.

**Lost Moon of Lazohsha** - (Book 1, Chapter 10) A moon that lost its orbit, located near the planet StonRamm, within the BlueMar Galaxy.

**Lysithium Star Crystal** - (Book 1, Chapter 2) A natural element with atomic number 220. Lysithium Star Crystal was generally mined on asteroids and used for laser weapons.

## M

**Makan** - (Book 1, Chapter 19) He was an officer assigned to the *Galactic Explorer* in the Claderane Government Explorers fleet.

**Malakite, Falaskk** - (Book 1, Chapter 15) He was an official for the Claderane Resistance.

**Mara-Harcheit** - (Book 1, Chapter 25 and Book 3, Chapter 1) He was a Yitha, disguised as an old human with white hair. Mara-Harcheit lived on the planet Yibon in the Zasreen Star System, within the Regulominuss Galaxy, but he was originally from the Nyctogluktooouss Galaxy. Mara-Harcheit was a special Yitha who had powers of telepathy, thought transfer, clairvoyance, and shapeshifting. He was known as the Keeper of the Regulominuss Galaxy, and the galaxyologist of the Yiblos group of galaxies.

**Matzon, Dr.** - (Book 1, Chapter 22) He was one of the doctors assigned to the *Light Avenger* in the Claderane Government Explorers fleet. Dr. Matzon monitored the delivery of Sepheena Cantin's child.

## LIGHTYEARS TRILOGY

**Mawjawi, Commander** - (Book 1, Chapter 23) She was a commander in the Claderane Government Explorers fleet. Mawjawi commanded the spaceship CGS 4.

**Mazits** - (Book 1, Chapter 21 and Book 3, Chapter 2) Known as the “migrating people,” the Mazits took off from Kelsar I and traveled across the BlueMar Galaxy in search of a new life. Some of them also presumably traveled through a forgotten wormhole to the Regulominuss Galaxy.

**Meads, Jepner** - (Book 3, Chapter 4) He was a utility worker for City Ommawee on the planet Nytoorion.

**Merell, Shandia** - (Book 3, Chapter 4) She was a Nytoorion Government dignitary.

**Metal Force** - (Book 2, Chapter 9) A counterterrorist organization that was an ally with the Civil Resistance. Metal Force helped defeat the terrorists organizations during stage two of Operation Dark War.

**Mhythewn, Gleesinoss** - (Book 1, Chapter 29) He was an aide to Ci’is Moroòe, ruler of the Tarr Kingdom on the planet Kaskoon.

**Mikbo, Lyhn** - (Book 1, Chapter 28) She was the wife of Iver Arra and the mother of Tahles (Arra) Cantin. It was unknown why the family name changed from Arra to Cantin.

**Mission to Claderane** - (Book 1, Chapter 10) A military mission of the BlueMar Empire under the leadership of Commander Rokk Landcorr to destroy the Claderane Resistance.

**Moght, Brias** - (Book 1, Chapter 30) He was the sixth president of the Claderane Government.

**Monarchy of Obritess** - (Book 2, Chapter 2) A government within the BlueMar Galaxy. The Monarchy of Obritess was located on the planet Neo Terra, which was cloaked from the rest of the galaxy. Its name was later changed to Obritess Government.

**Monomos** - (Book 1, Chapter 2) A small planet located in the Rrijial Star

## TROY D. WYMER

System, within the BlueMar Galaxy.

**Montell Aillis** - (Book 2, Chapter 8) A planet located in the Tiosoon Star System, within the BlueMar Galaxy. Montell Aillis was the location of an Immortal Cantin Empire outpost.

**Moriish, Baalin** - (Book 2, Chapter 9) He was a member of the Civil Resistance.

**Moro'oe, Ci'is** - (Book 1, Chapter 1) He was the fourth ruler of the Tarr Kingdom.

**Morrel, Klat (Serenitol Cantin)** - (Book 1, Chapter 14) He was a leader of the Claderane Resistance and used Klat Morrel as a pseudonym. Klat Morrel's real name was Serenitol Cantin.

**Morrwhell, Commander Rigid'n** - (Book 1, Prologue) He was a military commander in the BlueMar Empire.

**Mosstone** - (Book 3, Chapter 4) The capital city of the Nytoorion Government, located on the planet Nytoorion.

**Mot** - (Book 1, Chapter 6) A robot owned by Suzue.

**Myzerh** - (Book 1, Chapter 20) A planet located in the uncharted regions of the BlueMar Galaxy. Myzerh was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin.

## N

**Nanny** - (Book 1, Chapter 11, Book 2 and Chapter 2) A robot that was responsible for the education and care of Tereena.

**Nemnalon (house style)** - (Book 1, Chapter 1) A style of house that was developed by Monroe Nemnalon. The process used melted rock that was formed and cooled, created little sparkling crystals in the walls.

**Nemnalon, Monroe** - (Book 1, Chapter 1) He was an architect who developed the Nemnalon-style house.

## LIGHTYEARS TRILOGY

**Neo Terra** - (Book 2, Chapter 2 and Book 3, Chapter 3) A planet in the BlueMar Galaxy. Neo Terra was the seat of the Monarchy of Obriless. It was cloaked from the rest of the galaxy.

**New Astosky** - (Book 2, Chapter 10 and Book 3, Chapter 5) A city on the planet Kas. New Astosky was located in the same area as the old city of Astosky that was destroyed by the early Immortal Cantin Empire during their Reign of Terror campaign.

**New BlueMar Government** - (Book 1, Chapter 17) It was an unofficial name for that was used by some people for the Claderane Government.

**New Kanthas** - (Book 2, Chapter 10 and Book 3, Chapter 3) A city on the planet Kas. New Kanthas was located in the same area as the old town of Kanthas that was destroyed by the early Immortal Cantin Empire during their Reign of Terror campaign.

**Nori Masyn** - (Book 1, Chapter 21) The single satellite of the planet Rella.

**Northern Sand Ridge** - (Book 1, Chapter 1) It was the northern magnetic pole of the planet Kaskoon.

**NTMO-191 (*Neo Terra Monarchy of Obriless-191*)** - (Book 2, Chapter 2) One of many Monarchy of Obriless scout spaceships that had been sent to search for Tereena across the BlueMar Galaxy. *NTMO-191* was operated by two of the best searchers in the Monarchy of Obriless, Saven and Tia.

**Nycove Sand Bog** - (Book 1, Chapter 27) A sandy bog on the desert planet Kaskoon, similar to quicksand.

**Nyctogluktoouss Galaxy** - (Book 1, Chapter 25 and Book 3, Chapter 1) A galaxy located beyond the Yiblos group of galaxies. The Nyctogluktoouss Galaxy was populated with the Yitha species, which was mostly evil.

**Nytoorion** - (Book 2, Chapter 5 and Book 3, Chapter 3) A planet located in the Nytoorion Star System, within the BlueMar Galaxy. Nytoorion was the seat of the Nytoorion Government.

***Nytoorion Chronicle*** - (Book 2, Chapter 6) A newspaper from the planet

Nytoorion.

**Nytoorion Government** - (Book 2, Chapter 10 and Book 3, Chapter 3) A government within the BlueMar Galaxy that was founded in the year 231017 SA. The seat of the government was on the planet Nytoorion.

**Nytoorion Star System** - (Book 2, Chapter 7) A star system in the BlueMar Galaxy.

## O

**Oasis, The** - (Book 3, Chapter 5) An intoxication joint in the city of New Kanthas on the planet Kas.

**Obritess Government** - (Book 2, Chapter 10 and Book 3, Chapter 3) A government within the BlueMar Galaxy. The Obritess Government was located on the planet Neo Terra. Queen Tereena gave it the new name. It was formerly known as the Monarchy of Obritess.

**Oceanic** - (Book 2, Chapter 5) An ocean planet located in the Xerica Star System, within the BlueMar Galaxy. Oceanic had two satellites, Grandust and Grandust II (Forestica).

**Olbah** - (Book 1, Chapter 25, Book 3, Chapter 2) A planet located in the Ovlon Star System, within the Regulominuss Galaxy. Olbah once had a shield around the planet, protecting it from the REXXIAN Empire. It was the seat of the Ovlon Government after the REXXIAN Empire was destroyed.

**Old Claderane Government** - (Book 2, Chapter 8) A reference to the Claderane Government from the perspective of those who lived through the Dark Years of terrorism and the Immortal Cantin Empire.

**Olevine** - (Book 1, Chapter 24) A star located in the Ovlon Star System, within the Regulominuss Galaxy.

**Onslaught Upon Zantorra** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Onslaught Upon Zantorra was initiated by Bass Cantin of the Claderane Resistance with the battleship *Light Avenger* and destroyed Zantorra and his palace on the planet Zonia.

## LIGHTYEARS TRILOGY

**Operation Dark War** - (Book 2, Chapter 6) A two-stage military operation used by the Civil Resistance during the Dark War. Stage one was to defeat the Immortal Cantin Empire. Stage two was to defeat the terrorist organizations throughout the BlueMar Galaxy.

**Oryonite** - (Book 1, Chapter 12) A planet located in the Oryonite Star System, within the BlueMar Galaxy. Oryonite was the location of the Castles of Oryonite, ruled by Queen Amorra.

**Oryonite Star System** - (Book 1, Chapter 13) A star system in the BlueMar Galaxy.

**Oslevol, Resin** - (Book 1, Chapter 30) He was the fourth president of the Claderane Government.

**Oszon, Nikk Eneb** - (Book 1, Chapter 2) He was an intelligence agent for the Claderane Resistance. Nikk had gray hair. He infiltrated the BlueMar Empire's Zyor mining asteroid operation, but was caught and executed.

**Outcrop, The** - (Book 3, Chapter 5) A restaurant in the city of New Astosky on the planet Kas.

**Ovlon I** - (Book 1, Chapter 24) A planet located in the Ovlon Star System, within the Regulominuss Galaxy. Ovlon I was the location of REXXIAN Empire Building 256 in the city of Taanii-Taanii. During the time of the REXXIAN Empire, it was one of the locations of the their Syclone slave operation.

**Ovlon II** - (Book 1, Chapter 25) A planet located in the Ovlon Star System, within the Regulominuss Galaxy. During the time of the REXXIAN Empire, it was one of the locations of the their Syclone slave operation.

**Ovlon III** - (Book 1, Chapter 25) A planet located in the Ovlon Star System, within the Regulominuss Galaxy. During the time of the REXXIAN Empire, it was one of the locations of the their Syclone slave operation.

**Ovlon IV** - (Book 1, Chapter 23) A planet located in the Ovlon Star System, within the Regulominuss Galaxy. Ovlon IV was the location of a REXXIAN Empire Building in the city of Purenaan. During the time of the

## TROY D. WYMER

Rexxian Empire, it was one of the locations of the their Syclone slave operation.

**Ovlon Freight Transporter** - (Book 1, Chapter 23) One of many freighter spaceships that transported supplies in the Ovlon Star System.

**Ovlon Government** - (Book 1, Chapter 25 and Book 3, Chapter 1) A government within the Regulominuss Galaxy. The seat of the government was on the planet Olbah.

**Ovlon Semi** - (Book 1, Chapter 24) A large truck that hauled freight on any of the Ovlon planets. The Ovlon Semi had an innovative design and included some of the Rexxian Empire's most advanced technology.

**Ovlon Star System** - (Book 1, Chapter 23) A star system in the Regulominuss Galaxy.

## P

**Perytion** - (Book 2, Chapter 2 and Book 3, Chapter 3) A planet in the BlueMar Galaxy.

**Phathrit Kai** - (Book 1, Chapter 24) A tribe species from the planet Ovlon IV. The Phathrit Kai had grayish-brown skin. They believed in a legend where a queen-warrior would lead them against their enemy, the Walaa Kontis.

**power core** - (Book 1, Chapter 15 and Book 2, Chapter 7) A very small power source module that emitted large amounts of power.

**Project Thraxion** - (Book 3, Chapter 4) A construction project by the Axehaven Myriad Construction Corporation for the largest spaceship ever built in history named *Thraxion*.

**Proteron** - (Book 1, Chapter 6) A planet in the BlueMar Galaxy.

**Protos** - (Book 1, Chapter 6) A city on the planet Proteron.

**Purenaan** - (Book 1, Chapter 24) A city on the planet Ovlon IV.

## LIGHTYEARS TRILOGY

### Q

**Qas Star System** - (Book 1, Chapter 4) A star system in the BlueMar Galaxy.

**Quasar** - (Book 1, Chapter 14) A BlueMar Empire battleship that was stolen by Olossky Cantin and delivered to the Claderane Resistance. The *Quasar* became a battleship for the Claderane Government under the leadership of Commander and later Admiral Olossky Cantin. It was involved in the BlueMar War, the Claderane Government Explorers, and the REXXIAN War.

**Quaton** - (Book 1, Chapter 7) A planet in the BlueMar Galaxy.

**Quee-A3/B6** - (Book 1, Chapter 24 and Book 3, Chapter 5) He was a Syclone slave. Quee-A3/B6 lived on the planet Ovlon IV. He hauled liquid freight as an Ovlon Semi driver. Quee-A3/B6 was bald. He helped the Claderane Government Explorers find Mara-Harcheit. After the REXXIAN Empire was destroyed, Quee-A3/B6 became a representative of Ovlon IV in the newly established Ovlon Government. He later went on to become president of the Ovlon Government.

**Queeab** - (Book 3, Chapter 1) He was a Syclone. Queeab lived on the planet Olbah. He was leader of the Ovlon Government during the time of the Yiblos Treaty. Queeab was bald. He was named after Quee-A3/B6.

**Queen Amorra** - (Book 1, Chapter 13) She lived in the Castles of Oryonite on the planet Oryonite. Queen Amorra had black hair and brown eyes.

**Queen Quinell** - (Book 1, Chapter 12) She lived in Zantorra's palace on the planet Zonia. Queen Quinell was previously a slave to Zantorra, but was made to be his queen.

**Queen Shehly** - (Book 2, Chapter 2 and Book 3, Chapter 3) She lived on the planet Neo Terra. Queen Shehly was the queen of the Monarchy of Obritess. She had blond hair. Queen Shehly was the wife of King Baman and the mother of Tereena.

**Queen Tereena Cantin** - (See Cantin, Queen Tereena)

R

**R-89 Star System** - (Book 3, Chapter 2) A star system in the Regulominuss Galaxy.

**Radell, Nyton** - (Book 1, Chapter 1) He was the twenty-second emperor of the BlueMar Empire.

**Reab, Tetra** - (Book 1, Chapter 22) He was the twenty-sixth emperor of the BlueMar Empire.

**Realm Commander** - (Book 1, Chapter 4) A BlueMar Empire commander at the main realm and seat of the BlueMar Empire on the planet Andron.

**Realm Guard** - (Book 1, Chapter 4) A BlueMar Empire guard at the main realm and seat of the BlueMar Empire on the planet Andron.

**Rednii** - (Book 1, Chapter 16) A planet located in the Rednii Star System, within the BlueMar Galaxy. Rednii was the seat of the Rednii Alliance.

**Rednii Alliance** - (Book 1, Chapter 8) A government within the BlueMar Galaxy that was allies with the BlueMar Empire. The seat of the Rednii Alliance was on the planet Rednii.

**Rednii Onslaught** - (Book 1, Chapter 17) One of the battles during the BlueMar War. The Rednii Onslaught was initiated by the Claderane Resistance and destroyed several battleships and fighter ships and also their base on the planet Rednii.

**Rednii Star System** - (Book 1, Chapter 16) A star system in the BlueMar Galaxy. The Rednii Star System was the location of the Rednii Alliance.

**reflector shield** - (Book 1, Chapter 15, Book 2 and Chapter 5) A type of spaceship defense shield that reflects laser beams from its surface.

**Regulominuss Galaxy** - (Book 1, Prologue, Book 2, Chapter 10, and Book 3, Chapter 1) One of two galaxies in the Yiblos group. The Regulominuss Galaxy was eventually explored in its entirety. Throughout history, it was controlled by the Rexxian Empire and a few governments. Mara-Harcheit

## LIGHTYEARS TRILOGY

was known as the Keeper of the Regulominuss Galaxy and considered its guardian.

**Reign of Terror** - (Book 2, Chapter 1) A campaign initiated by Reminall Cantin of the Immortal Cantin Empire on the planet Kas that destroyed the city of Astosky and the town of Kanthas. Reminall did this so he could have the entire planet Kas for the seat of the Immortal Cantin Empire. Some people referred to Reign of Terror generations later when dealing with the Immortal Cantin Empire and the terrorist organizations that littered the BlueMar Galaxy.

**Rella** - (Book 1, Chapter 21) A planet located in the Kameron Star System within the BlueMar Galaxy. Rella had a single satellite named Nori Masyn.

**Resistance Against Terrorism (RAT)** - (Book 2, Chapter 9) A counterterrorist organization that was an ally with the Civil Resistance. Resistance Against Terrorism helped defeat the terrorists organizations during stage two of Operation Dark War.

**Rexx** - (Book 1, Chapter 25) A planet located in the Rexx Star System, within the Regulominuss Galaxy. Rexx was the seat of the Rexxian Empire.

**Rexx Star System** - (Book1, Chapter 25) A star system in the Regulominuss Galaxy.

**Rexxeltii** - (Book 1, Chapter 25) A Rexxian Empire battleship under the leadership of Commander Siitelaxx Tonn. The *Rexxeltii* was destroyed during the Rexxian War.

**Rexxian Empire** - (Book 1, Chapter 22 and Book 3, Chapter 2) An empire within the Regulominuss Galaxy that reigned for five hundred years. The seat of the Rexxian Empire was on the planet Rexx. The Rexxian Empire slaved Syclones to do their work.

**Rexxian Empire Building** - (Book 1, Chapter 24) Any of the Rexxian Empire facilities on the Ovlon planets.

**Rexxian Empire Troops** - (Book 1, Chapter 24) Rexxian Empire military officers.

## TROY D. WYMER

**Rexxian War** - (Book 1, Chapter 26 and Book 3, Chapter 5) A war between the Claderane Government Explorers, along with the people from the Kameron Star System, and the REXXIAN Empire. The REXXIAN War took place in the year 230932 SA. The war was won by the Claderane Government Explorers. Afterward, the Syclone slaves were set free to form their own government.

**Rhign, Light** - (Book 1, Chapter 15) He was an official in the Claderane Resistance. Light became the second president of the Claderane Government.

**Rialerson** - (Book 1, Chapter 21) A light blue planet located in the Kameron Star System within the BlueMar Galaxy. Rialerson had a frozen ring of ice and four satellites.

**Riecha'Padoss** - (Book 1, Chapter 24) He was the leader of the Phathrit Kai tribe on the planet Ovlon IV.

**Rikkett** - (Book 1, Chapter 20) A planet located in the uncharted regions of the BlueMar Galaxy. During the Claderane Government Explorers mission, it was discovered that hostile humans inhabited Rikkett. The inhabitants were most likely remnants of the Mazits.

**Roiis Extt** - (Book 2, Chapter 8) A planet located in the Tiooson Star System, within the BlueMar Galaxy. Roiis Extt was the location of an Immortal Cantin Empire outpost.

**Roklarr, Commander** - (Book 1, Chapter 23) He was a commander in the Claderane Government Explorers fleet. Roklarr commanded the spaceship CGS 3.

**Rotoos Fyor** - (Book 2, Chapter 10) A planet in the BlueMar Galaxy.

**Rotooth** - (Book 1, Chapter 30) A star located in the Rotooth Tanis-Sintex Star System, within the BlueMar Galaxy.

**Rotooth Tanis-Sintex Star System** - (Book 1, Chapter 30 and Book 2, Chapter 9) A star system in the BlueMar Galaxy.

## LIGHTYEARS TRILOGY

**Rreen** - (Book 3, Chapter 2) A planet in the Regulominuss Galaxy. Rreen was the seat of the Rreen Government.

**Rreen Government** - (Book 3, Chapter 1) A government within the Regulominuss Galaxy that was founded after the entire galaxy had been explored. The seat of the government was on the planet Rreen.

**Rrijial Star System** - (Book 1, Chapter 2) A star system in the BlueMar Galaxy.

**RTSX-87 (Artie)** - (Book 2, Chapter 10) A robot owned by King Baman and Queen Shehilly.

**Rwaji** - (Book 1, Chapter 22) He lived on the drifting planet Kalerson. Rwaji was the partner of Taila.

**RX-47** - (Book 1, Chapter 4) A lifeless, red robot that had been in the back of Santu's Weathertread during his search on Kaskoon for Olossky Cantin.

**Rythell** - (Book 1, Chapter 3) A planet in the BlueMar Galaxy.

## S

**Saa-Atlom, Inyurooh** - (Book 1, Chapter 25) He was a high-ranking military officer in the REXXian Empire. Inyurooh was in charge of the ground forces on the planet REXX. He was killed in the REXXian War during an attack of Star Knight fighter ships.

**Sala Species** - (Book 1, Chapter 4) An indigenous species to both the Qas Star System and the Salano Star System. The Sala Species had characteristic features, such as the back of their heads curved out and up. Three horns were on the top of their heads and two tusks were on each side of their small mouths. The horns and tusks were all straight, long, thin, and very sharp.

**Salano Star System** - (Book 1, Chapter 4) A star system in the BlueMar Galaxy.

**Salasting** - (Book 1, Chapter 2) He was a Sala Species from the Salano Star

## TROY D. WYMER

System. Salasting worked as a miner on the asteroid Zyvor. He also worked as an enforcement agent investigator.

**Sanalia** - (Book 1, Chapter 1) She lived in the town of Kanthas on the planet Kaskoon. Sanalia and Roedie Cantin had dated at one time.

**Sanatoma, Commander** - (Book 1, Chapter 23) He was a commander in the Claderane Government Explorers fleet. Sanatoma commanded the spaceship CGS 2.

**Sanbor** - (Book 1, Chapter 3) A planet in the BlueMar Galaxy.

**Sand Knight** - (Book 1, Chapter 29) A knight of the Tarr Kingdom on the planet Kaskoon.

**Sand Star** - (Book 1, Chapter 1) A restaurant in the city of Astossky on the planet Kaskoon.

**Sandkeen** - (Book 1, Chapter 1, Book 2, Chapter 1, and Book 3, Chapter 3) An intelligent, but dangerous, species that were created by scientists at a lab in the Tarr Kingdom on the planet Kaskoon. The red-skinned creatures had two straight, thin, tan tusks at each corner of their mouths. Many of them wore gray robes and carried weapons known as Angelo's Death Cords.

**Sandtilian** - (Book 1, Chapter 22) The single satellite of the planet Kalerson. Sandtilian was only a small moonlet.

**Santu** - (Book 1, Chapter 2) He worked as a miner on the asteroid Zyvor. Santu was also one of the best enforcement agent investigators in the BlueMar Galaxy. He wore a helmet and all types of electronic equipment on his body for life support. Santu lost both his legs in the Battle of Keelonn and they were replaced with electronic ones.

**Sarptious, Unell** - (Book 3, Chapter 4) He was an officer of the Axehaven Myriad Construction Corporation and colleague of 'Tallie Iver during Project Thraxion.

**Saven** - (Book 2, Chapter 2) He was a searcher from the Monarchy of

## LIGHTYEARS TRILOGY

Obritess on the planet Neo Terra. Saven was tasked to search the BlueMar Galaxy for Tereena Cantin. He was one of two searchers who operated the a small spaceship named *NTMO-191*. Saven had brown hair.

'**Schytion** - (Book 1, Chapter 22) A planet in the BlueMar Galaxy.

**SeaScape** - (Book 1, Chapter 6) An intoxication joint in the city of Protos on the planet Proteron.

**Second Sitell Theory** - (Book 3, Chapter 2) A theory of Sitell's that took a nine month journey at timespeed and made it into an instantaneous journey at lightspeed. Complex calculations specified in the Second Sitell Theory were used to program the Galactic Time Portal after the archived logs of Sintos's old ship *Keen Saber* and the history of the tac-time engine were studied.

**Secor** - (Book 1, Chapter 10) A species from the planet StonRamm that became extinct from the Tabaannaann Plague

**Sethonia** - (Book 1, Chapter 12) He lived in Zantorra's palace on the planet Zonia. Sethonia was an aide for Zantorra.

**Sevela** - (Book 1, Chapter 1, Book 2, Chapter 5, and Book 3, Chapter 3) A carbonated beverage that was available in both red and blue colors.

**SiiLat** - (Book 1, Chapter 11) The single satellite of the planet Siitap.

**Siinoid** - (Book 2, Chapter 6) He was an alien creature that caused trouble at the Stone Shelf intoxication joint on Nytoorion. Siinoid was killed by the bouncer.

**Siitap** - (Book 1, Chapter 11, Book 2, Chapter 2, and Book 3, Chapter 5) A paradise planet located in the Velkonn Star System within the BlueMar Galaxy.

**Sijen, Reminten** - (Book 2, Chapter 1) He was the ninth emperor of the BlueMar Empire.

**Silver Dagger** - (Book 1, Chapter 4) A BlueMar Empire military fighter

ship. Silver Daggers were small, silver, and V-shaped.

**Sintos, Commander** - (Book 1, Chapter 21 and Book 3, Chapter 1) He was from the planet Carron. Sintos was the leader of the highly technologically advanced people from the Kameron Star System. He was owner and Commander of the *Keen Saber*. Sintos was bald. He was an ancestor to Sitell.

**Sitell** - (Book 3, Chapter 1) He lived on the planet Yiseth. Sitell was the leader of the Yiseth Government during the time of the Yiblos Treaty. He was also an intelligent inventor who developed the First Sitell Theory and the Second Sitell Theory. Sitell was bald. He was a descendant of Sintos. Sitell owned a spaceship named *Tributary*.

**Sitell Field** - (Book 3, Chapter 2) A forcefield that could be stretched across lightyears of space and could obstruct anything that consisted of matter. The Sitell Field used emanator modules at various points across a the BlueMar Galaxy and the Regulominuss Galaxy that projected the origination points of the forcefield. Collector modules were placed around the parameter of the Galactic Time Portal's circular metal framework where the energy of the Sitell Field converged. It was possible using the First Sitell Theory.

**Sno-Pleednii Star System** - (Book 1, Chapter 27) A star system in the BlueMar Galaxy.

**Soph-T9/X3** - (Book 1, Chapter 25) He was a Syclone slave. Soph-T9/X3 lived in the city of Taanii-Taanii on the planet Ovlon I. He was bald. Soph-T9/X3 was responsible for shooting Baas Cantin in the back, thinking the group of humans were part of the REXXIAN Empire. Fortunately, his laser weapon was on stun.

**Southern Sand Ridge** - (Book 1, Chapter 1) It was the southern magnetic pole of the planet Kaskoon.

**Space Age (SA)** - (Book 1, Chapter 1, Book 2, Chapter 7, and Book 3, Chapter 4) A system of time used after the advent of space travel. The Space Age designation originated after humans fled the planet Kylon.

## LIGHTYEARS TRILOGY

**Space Militia** - (Book 2, Chapter 9) A terrorist organization in the BlueMar Galaxy. Space Militia owned a spaceship named *E Liner*.

**Sparsburg** - (Book 2, Chapter 2 and Book 3, Chapter 3) A city on the planet Perytion.

**speed-lift** - (Book 1, Chapter 2) An enclosed platform that carried passengers between levels of a structure at quick speeds.

**speedwave systems** - (Book 1, Chapter 16) A digital system in a Star Knight fighter ship that displays speeds and trajectories.

**Star Knight** - (Book 1, Chapter 15 and Book 2, Chapter 4) A Claderane Resistance and Claderane Government fighter ship. Star Knights were manufactured by a corporation on Claderane. The fighter ships had long bodies that came to a point in the front. Lasers were mounted on either side of the body. Highly modified swept wings angled toward the back of the fighter, then angled inward before angling back outward again. A sleek pointed stabilizer sat at the upper back end of the ship. Star Knights were designed to be piloted by Kalaar robots, but could also be piloted by humans or similarly-shaped beings.

**Stirlaxeen** - (Book 1, Chapter 25) A type of creature from the planet Yibon known for its aggressive behavior and loud growls.

**Stone Shelf** - (Book 2, Chapter 6) An intoxication joint on the planet Nytoorion.

**StonRamm** - (Book 1, Chapter 9) A planet in the BlueMar Galaxy.

**Storm Defense** - (Book 2, Chapter 9) A counterterrorist organization that was an ally with the Civil Resistance. Storm Defense helped defeat the terrorists organizations during stage two of Operation Dark War.

**Sturnlhen, Ianil** - (Book 1, Chapter 30) He was the fifth president of the Claderane Government.

**Suzue** - (Book 1, Chapter 6) He lived on Suzue Island on the planet Proteron. Suzue was a former BlueMar Empire Commander, but left the

## TROY D. WYMER

empire and found sanctuary on the island that he acquired. He was an old acquaintance of Olossky Cantin.

**Suzue Island** - (Book 1, Chapter 6) An island on the planet Proteron that was owned by Suzue.

**Swamp Phantom** - (Book 1, Chapter 9) A type of anti-gravitational transportation used by the Tuskus on the planet Tuska. Swamp Phantoms had two wing-like engines on each side of their bodies. Two laser guns were mounted in the front of them. Large pointed wings were at the back of their bodies.

**SX-94** - (Book 1, Chapter 1) A medical assistant robot at the Med-Center in the city of Astosky on the planet Kaskoon

**Syats** - (Book 1, Chapter 24) He was a military commander in the Rexxian Empire. Syats was a commander in the Rexxian Empire Building in the city of Purenaan on the planet Ovlon IV.

**Syclone** - (Book 1, Chapter 22 and Book 3, Chapter 2) A species of clones from the Ovlon Star System in the Regulominuss Galaxy. Both men and women Syclones were bald. They were similar to humans.

**Sylikyt, Ikk** - (Book 1, Chapter 5 and Book 2, Chapter 4) He was a ship dealer in the city of Astosky on the planet Kaskoon. Ikk sold Bass and Roedie Cantin the *Zoota 2000*. When Roedie and Tereena Cantin traveled to the future in the *Time Explorer*, Ikk Sylikyt managed to stow away aboard and attempted to steal the ship.

**Syta'Pomis** - (Book 1, Chapter 24) He was a warrior of the Phathrit Kai tribe on the planet Ovlon IV.

## T

**Taanii-Taanii** - (Book 1, Chapter 25) A city on the planet Ovlon I.

**Tabaannaann Plague** - (Book 1, Chapter 3 and Book 2, Chapter 4) A deadly disease.

## LIGHTYEARS TRILOGY

**tac-time engine** - (Book 1, Chapter 21, Book 2, Chapter 2, and Book 3, Chapter 2) A spaceship engine developed by the highly technologically advanced humans from the Kameron Star System. The tac-time engine was able to travel timespeed, enabling travel between galaxies.

**Taila** - (Book 1, Chapter 22) She lived on the drifting planet Kalerson. Taila was the partner of Rwaji.

**Tarlyonn Asteroid** - (Book 1, Chapter 8) A cavernous asteroid located in the Fem Glucto Star System, within the BlueMar Galaxy. One area on the asteroid was referred to as The Eerie Caverns of the Damned.

**Tarr, Phatom** - (Book 1, Chapter 1) He established the Tarr Kingdom on the planet Kaskoon and was the first ruler of the Tarr Kingdom.

**Tarr Kingdom** - (Book 1, Chapter 1) A kingdom located in the southern hemisphere of the planet Kaskoon. The Tarr Kingdom was developed by its first ruler, Phatom Tarr, in the year 230332 SA. It existed until the year 230655 SA when the BlueMar Empire seized control over it.

**Tarras** - (Book 1, Chapter 20) A planet located in the uncharted regions of the BlueMar Galaxy. Tarras was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin. It had some animal and plant life as well as many water systems.

**Taskii** - (Book 1, Chapter 18) A planet located in the Taskii Star System in the uncharted regions of the BlueMar Galaxy. Taskii was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin. On the planet, there were millions of cannibal creatures.

**Taskii Star System** - (Book 1, Chapter 18) A star system in the uncharted regions of the BlueMar Galaxy. The Taskii Star System was discovered by the Claderane Government Explorers and named by Admiral Olossky Cantin. The star system may have had a different name used by the extinct civilization from the planets Kethe and Karrah, which were located in the same star system.

**Taweeb'l** - (Book 1, Chapter 24) He was a warrior of the Phathrit Kai tribe on the planet Ovlon IV.

## TROY D. WYMER

**Teeks, Liroown** - (Book 2, Chapter 3) He was the partner of Cathia Cantin and the father of Reminall II Cantin. Cathia killed Liroown for unknown reasons.

**TELAX-90** - (Book 1, Chapter 1) A robot owned by Olossky Cantin. TELAX-90 was destroyed by Sandkeens near the Controller on the planet Kaskoon.

**tele-vid** - (Book 1, Chapter 1) A display that received digital signals of programming that was broadcast.

**Thalaghen** - (Book 1, Chapter 23) He was a technician assigned to the Claderane Government Explorers.

**Thane, Jade** - (Book 3, Chapter 1) She lived on the planet Rreen. Jade was the leader of the Rreen Government during the time of the Yiblos Treaty. She had long, black hair and usually wore a black leather outfit.

**Thine, Zonvhel I** - (Book 1, Chapter 28) He was the twenty-fourth emperor of the BlueMar Empire.

**Thine, Zonvhel II** - (Book 1, Chapter 28) He was the twenty-fifth emperor of the BlueMar Empire.

**Thisis Militia** - (Book 2, Chapter 1) A terrorist organization located in the Thisis Star System, within the BlueMar Galaxy. The Thisis Militia was destroyed by the Civil Resistance.

**Thisis Star System** - (Book 1, Chapter 8 and Book 2, Chapter 1) A star system in the BlueMar Galaxy.

**ThornZozaa** - (Book 1, Chapter 13) A twin planet located in the ThornZozaa Star System, within the BlueMar Galaxy. ThornZozaa's twin was the planet Conbokkestor.

**ThornZozaa Star System** - (Book 1, Chapter 13) A star system in the BlueMar Galaxy.

**Thorr, Art** - (Book 2, Chapter 3) He lived in the Immortal Cantin Empire's

## LIGHTYEARS TRILOGY

royal domain on the planet Kas. Art was the husband of Widoweve II Cantin and the father of Tam' Thorr.

**Thorr, Tam'** - (Book 2, Chapter 3) She lived in the Immortal Cantin Empire's royal domain on the planet Kas. Tam' was the daughter of Widoweve II Cantin and Art Thorr.

**Thraxion** - (Book 3, Chapter 4) A cruise spaceship developed by the Axehaven Myriad Construction Corporation. *Thraxion* was the largest spaceship ever built in history. It was one hundred kilometers in length, fifty kilometers in width, and ten kilometers high at its tallest point.

**Thubeese** - (Book 1, Chapter 1) A sauce to enhance the flavor of foods like Kytusk.

**Tia** - (Book 2, Chapter 2) She was a searcher from the Monarchy of Obriless on the planet Neo Terra. Tia was tasked to search the BlueMar Galaxy for Tereena Cantin. She was one of two searchers who operated the a small spaceship named *NTMO-191*. Tia had long, curly, black hair.

**Tibis** - (Book 1, Chapter 21) A planet located in the Kameron Star System, within the BlueMar Galaxy. Tibis had light greenish-gray bands of gases in its atmosphere.

**Time Explorer** - (Book 1, Epilogue, Book 2, Chapter 4, and Book 3, Chapter 3) A spaceship owned by Roedie Cantin. The *Time Explorer* was previously named *Galactic Explorer* until Roedie changed the name after he started traveling to future time frames with his wife, Tereena Cantin.

**timespeed (speed of time)** - (Book 1, Chapter 21, Book 2, Chapter 2, Book 3, Chapter 2) A speed one million times faster than the speed of light. Basically, timespeed was 9,460,730,472,580,800,000 kilometers per year. Due to restrictions with the tac-time engine, it was only safe to travel at a maximum speed of 83.3 percent timespeed, which was 7,880,788,483,659,806,400 kilometers per year and was still considered timespeed.

**Tiosoon Star System** - (Book 1, Chapter 1) A star system in the BlueMar Galaxy.

## TROY D. WYMER

**Tokens** - (Book 1, Chapter 19) He was an officer assigned to the *Galactic Explorer* in Claderane Government Explorers fleet.

**Tonn, Commander Siitelaxx** - (Book 1, Chapter 25) He was a military commander in the REXXIAN Empire. Siitelaxx commanded the battleship *Rexxeltii*.

**Toon, Siioxx** - (Book 1, Chapter 6) He was a pirate who frequented an intoxication joint named SeaScape in the city of Protos on the planet Proteron.

**Torb, Kelis** - (Book 1, Chapter 1) He was the second ruler of the Tarr Kingdom.

**Treeb, Mas** - (Book 1, Chapter 25) He was a scientist and engineer assigned to the Claderane Government Explorers fleet. Mas was responsible for designing the spaceship *Zoota 2001*.

**Tri-Sintex Star System** - (Book 2, Chapter 8) A star system in the BlueMar Galaxy. The Tri-Sintex Star System was the location of an Immortal Cantin Empire spacecraft carrier space station.

**Tributary** - (Book 3, Chapter 2) A spaceship owned by Sitell.

**Ttions, Xeron** - (Book 1, Chapter 2) He was a military officer in the BlueMar Empire. Xeron was a guard for Con, the aide for Emperor Quarrel Duelco.

**Tuska** - (Book 1, Chapter 9 and Book 2, Chapter 8) A swamp planet located in the Tuska Thaxe Star System within the BlueMar Galaxy.

**Tuska Thaxe Star System** - (Book 1, Chapter 9 and Book 2, Chapter 1) A star system in the BlueMar Galaxy.

**Tuska-Tew** - (Book 1, Chapter 9) A name used by the Tuskus species to refer to their swamp planet located in the Tuska Thaxe Star System within the BlueMar Galaxy.

**Tuskus** - (Book 1, Chapter 9, Book 2, Chapter 8) An indigenous species to

## LIGHTYEARS TRILOGY

the planet Tuska.

**Tuskus (language)** - (Book 1, Chapter 9) The language used by the Tuskus species.

**Tuviex Korr** - (Book 2, Chapter 1) A large outcrop on the desert planet Kas. Tuviex Korr was located near Kamerst Low.

**TX-2000** - (Book 1, Chapter 1) A chrome plated domestic robot owned by Olossky Cantin.

**Tykonis, Commander** - (Book 1, Chapter 23) He was a commander in the Claderane Government Explorers fleet. Tykonis commanded the spaceship CGS 5.

### U

**Uree-Stanonn** - (Book 1, Prologue) A city on the planet Iasesheenia.

### V

**Vegaluss** - (Book 1, Chapter 8) A planet located in the Thisis Star System, within the BlueMar Galaxy.

**Velkonn Delta Five** - (Book 1, Chapter 11) A star located in the Velkonn Star System, within the BlueMar Galaxy.

**Velkonn Star System** - (Book 1, Chapter 11 and Book 2, Chapter 10) A star system in the BlueMar Galaxy.

**Veltii, Tiik** - (Book 2, Chapter 3) He was the partner of Reignbo Cantin and father of Widoweve II Cantin.

**Verction's Canyon** - (Book 1, Chapter 25 and Book 3, Chapter 2) A long, deep canyon on the planet Yiseth.

**Vess, Tryl** - (Book 1, Chapter 2) He was a military officer in the BlueMar Empire. Tryl was a guard for Con, the aide for Emperor Quarrel Duelco.

## TROY D. WYMER

### W

**Walaa Kontis** - (Book 1, Chapter 24) A tribe species from the planet Ovlon IV. The Walaa Kontis had gray skin. Their enemy was the Phathrit Kai tribe.

**Weather tread** - (Book 1, Chapter 4) A large, enclosed all terrain vehicle.

**Whimthiw Servant** - (Book 1, Chapter 29) A servant in the Tarr Kingdom.

**White Star** - (Book 1, Chapter 24) A REXXIAN Empire fighter ship. White Stars had low profile, long, rectangular shaped bodies. They tapered to a point in front of the cockpit canopy. The cropped delta wings were level with the bottom of the ships, their angles straightening briefly before continuing to angle toward the cropped back portion. A sleek stabilizer was fixed at the rear of the ships. Two ion engines sat on either side of the tail and two lasers were mounted on either side.

**Wicked Mission of the Marazos, The** - (Book 1, Chapter 12) A book about a mission that took place in the time of Hellion Hex Halberd's reign as the sixth emperor of the BlueMar Empire.

**Windrider** - (Book 1, Chapter 6) An anti-gravitational water craft.

### X

**Xalgoma Stride** - (Book 1, Chapter 27 and Book 3, Chapter 5) A missile and bomb designed by the Tarr Kingdom and sent to the center of the BlueMar Galaxy. The Xalgoma Stride was set to detonate in the year 231145 SA. The bomb was deactivated and destroyed by Olossky, Roedie, and Bass Cantin.

**Xenex, Thytan** - (Book 1, Chapter 28) He was the twenty-third emperor of the BlueMar Empire.

**Xerica Star System** - (Book 2, Chapter 5) A star system in the BlueMar Galaxy.

**Xevoui** - (Book 1, Chapter 8) A planet located in the Thisis Star System,

## LIGHTYEARS TRILOGY

within the BlueMar Galaxy.

**Xexioux, Dr.** - (Book 1, Chapter 22) He was one of the doctors assigned to the *Light Avenger* in the Claderane Government Explorers fleet. Dr. Xexioux helped deliver Sepheena Cantin's child.

**Xyinna Wolf** - (Book 1, Chapter 25 and Book 3, Chapter 1) A type of wolf from the planet Yibon.

### Y

**Yiblos** - (Book 1, Chapter 25 and Book 3, Chapter 1) A group of two galaxies, BlueMar Galaxy and Regulominuss Galaxy.

**Yiblos Treaty** - (Book 3, Chapter 5) An agreement between the three governments in the BlueMar Galaxy, Civil Government, Nytoorion Government, and Obriless Government and the three governments in the Regulominuss Galaxy, Ovlon Government, Rreen Government, and Yiseth Government that defined their mission and provided procedures for communications, transportation, logistics, powers, enforcement, justice, citizens, and time system.

**Yibon** - (Book 1, Chapter 25 and Book 3, Chapter 1) A planet located in the Zasreen Star System, within the Regulominuss Galaxy.

**Yiseth** - (Book 3, Chapter 2) A planet in the Regulominuss Galaxy. Yiseth was the seat of the Yiseth Government.

**Yiseth Government** - (Book 3, Chapter 1) A government within the Regulominuss Galaxy that was founded after the entire galaxy had been explored. The seat of the government was on the planet Yiseth.

**Yitha** - (Book 1, Chapter 25 and Book 3, Chapter 1) A species indigenous to the Nyctogluktooouss Galaxy. Most of them were inherently evil. They had the ability to shapeshift. Few of the good ones had special abilities, such as clairvoyance, foresight, telepathy, thought transfer, and excessive wisdom.

**Yitheria Wormhole** - (Book 3, Chapter 1) A wormhole that connected the

## TROY D. WYMER

Regulominuss Galaxy and the Nyctogluktooouss Galaxy.

**Yortis, Remyw** - (Book 2, Chapter 6 and Book 3, Chapter 3) He lived on the planet Nytoorion. Remyw was the leader of the Civil Resistance's Nytoorion operations. He was involved in Operation Dark War to defeat the Immortal Cantin Empire and the terrorist organizations that littered the BlueMar Galaxy. Remyw became leader of the Nytoorion Government. He had short, brown hair. Remyw was the husband of Kathell Cantin and the step-father of Arriel Cantin.

## Z

**Zaggon** - (Book 1, Chapter 2) He was a humanoid insect. Zaggon worked as a miner on the asteroid Zyvor. He was also an enforcement agent investigator. Zaggon had large eyes and a nose that spread out in three different directions.

**Zalho's World** - (Book 1, Chapter 3) A planet located in the Thisis Star System, within the BlueMar Galaxy.

**Zalho's World Brigade** - (Book 2, Chapter 6) One of two terrorist organizations located in the Thisis Star System, within the BlueMar Galaxy. Zalho's World Brigade took over Zalho's World after the Thisis Militia was destroyed. The other terrorist organization located in the Thisis Star System was Knights of Stygian.

**Zantar** - (Book 1, Chapter 2) He worked as a miner on the asteroid Zyvor. Zantar was also an enforcement agent investigator. He usually wore a metal suite of armor that contained hidden weaponry.

**Zantorra** - (Book 1, Chapter 12) He lived in Zantorra's palace on the planet Zonia. Zantorra was a dictator known for human trafficking and extreme torture.

**Zasreen Star System** - (Book 1, Chapter 25 and Book 3, Chapter 1) A star system in the Regulominuss Galaxy.

**Zonia** - (Book 1, Chapter 12) A snow-ice planet located in the Zonia Star System, within the BlueMar Galaxy. Zonia was the location of Zantorra's

## LIGHTYEARS TRILOGY

palace.

**Zonia Fighter Ship** - (Book 1, Chapter 12) A fighter ship used by Zantorra's forces from the planet Zonia.

**Zonia Guard** - (Book 1, Chapter 12) A guard of Zantorra's palace on the planet Zonia.

**Zonia Star System** - (Book 1, Chapter 16) A star system in the BlueMar Galaxy.

**Zoota (computer)** - (Book 1, Chapter 6) The onboard computer for the spaceship *Zoota 2000* and *Zoota 2001*. Zoota communicated with the crew via voice and display. The presumed feminine voice had a slight personality.

**Zoota 2000** - (Book 1, Chapter 5 and Book 2, Chapter 4) A spaceship owned by Baas and Roedie Cantin. *Zoota 2000* was destroyed by REXXIAN Empire White Star fighter ships on the planet OVLON IV.

**Zoota 2001** - (Book 1, Chapter 25 and Book 2, Chapter 6) A spaceship designed and built by an engineer and technicians of the Claderane Government Explorers. *Zoota 2001* was designed to be a replica of *Zoota 2000*. It was mostly used by Roedie Cantin and kept aboard the *Galactic Explorer*. *Zoota 2001* was acquired by Roedie Cantin when he purchased the *Galactic Explorer* from the Claderane Government. It was destroyed by IMMORTAL CANTIN Empire ICE fighter ships on the planet Tuska.

**Zyvenous Asteroid Mass** - (Book 1, Chapter 2) A mass of asteroids located in the Ipsinittorr Star System, within the BlueMar Galaxy.

**Zyvor** - (Book 1, Chapter 2) A mining asteroid in the Zyvenous Asteroid Mass. Zyvor was part of the BlueMar Empire's Lysithium Star Crystal mining operation.
